Assembly Instructions

1 Handle Installing

- Position the trolley side handle behind the holes on the trolley.
- Attach with (4) bolts, and tighten with a 5mm Hex Key.

1

---

2 Installing the Side Locker:

- Step 1: The Evolution Side locker can be installed on either side of the Kincrome Evolution Trolley. With assistance carefully lift the side locker onto either the left or right hand side of the Trolley by interlocking the hanging edge of the side locker to the edge of the trolley
- Step 2: If desired you can reverse the door opening orientation (see instruction below)
- Step 3: You can fit the optional side handle to the side locker if required to either the left or right hand side depending on your preference. Use the hex bolts provided.
- Step 4: Fit the Kincrome Badge

2

3 Reversing the Door:

- The Side locker door can open in either direction depending on your preference. It opens from the left from the factory
- Step 1: Unscrew the door retaining screws while holding the door to keep it from falling
- Step 2: Flip the door over to opposite side of the locker
- Step 3: Reinstall the door screws ensuring they are tight but do not over tighten.

3

4 Shelf Adjustment:

- Step 1: With an open hand, push up against the bottom of the shelf to disengage it from the locating tabs.
- Step 2: Move the shelf to the desired position
- Step 3: Push down on the shelf to lock it into the locating tabs

Maintenance

1 Removing the Drawers

- Fully extend the empty drawer.
- Push up the right grey release lever while pushing down the left grey release lever.
- Pull the drawer outward until it is released from the drawer slide.

2 Re-Inserting The Drawers

- Extend the drawer slides.
- Insert the brackets on each side of the drawer into the slots on the slides, being careful that they are properly positioned.
- Once properly inserted, completely close the drawer to set the slides in their proper positions.
