KINCROME

Rotating Penlight Torch 350 lumens K10332

Specifications

WARNING: This operating manual contains important safety information, read carefully & understand all information before operating the Torch. Save this manual for future use.

LED type	SMD LED, 6000K
Light output	Low - 50lm, High - 350lm
Beam distance	High - 60m
Runtime	Low - 8hrs, High - 2hrs
IP rating	IP65 - Dustproof & water resistant
Battery	Rechargeable 3.7Vdc 750mAh Li-Ion
Charge time	2.5 Hours
Weight	88 grams
Measurements	L19 x W17 x H161.5mm

Safety Warnings

Advice & Important Information!

- ONLY USE the supplied Lithium Battery. DO NOT USE any other type of battery, risk of serious injury, fire or explosion may occur
- Contains a Li-Ion battery. DO NOT dispose of this battery in normal household waste, the battery must be recycled or disposed of properly in accordance to local laws and regulations.
- DO NOT open, crush, heat above 60°C (140°F) (for Li-Ion) or incinerate.
- Battery life is affected by different lighting modes.
- DO NOT look directly at the LED. This may cause temporary blindness, or permanent damage to the eyes.
- DO NOT shine the light directly into human eyes. This may cause temporary blindness, or permanent damage to the eyes.
- DO NOT operate in direct sunlight or extreme temperature conditions (below -10°C or above 40°C).
- The LED will become hot when switched on; DO NOT touch and DO NOT place face down on any surface – risk of fire!
- DO NOT use the device if there is any visible damage to the housing, switch or lens.
- Keep away from children! Children should be supervised in order to ensure that they DO NOT play with the device!
- To reduce the risk of injury, close supervision is necessary when an appliance is used near children.
- Store idle light out of reach of children. Warm lights can become hazardous in the hands of children.
- DO NOT open, disassemble or attempt to modify the product; this will void the warranty and can be dangerous. Improper use or modification is not covered under the warranty.
- Take care not to let the lenses come into contact with hard/sharp objects, damage/scratches to the lenses will affect light output.
- If you are not using the product for long periods of time (3 weeks or more), remove batteries to prevent battery leakage and battery depletion. Battery leaks are not covered under warranty.
- Protect batteries from heat, intense sunlight, fire, water and moisture – danger of explosion!
- If batteries are damaged, fluids can leak out. AVOID contact as this can lead to skin irritation and/or burns. If skin contact happens, rinse thoroughly with water. If irritation persists, seek medical advice.
- Seek immediate medical assistance if battery acid comes into contact with the eyes.

KINCROME

Rotating Penlight Torch 350 lumens K10332

Operation

Charging the Battery

- While holding the LED head, locate and peel open the charging port cover to reveal the charging port.
- Plug the supplied USB cable into the USB Charging port.
  Note:
  - The USB Charging indicator will flash GREEN when the product is charging, and illuminate GREEN when the product is fully charged.
  - When the battery charge is getting low, the LED will flash. This will indicate that the Torch requires to be recharged.
- Once the charging cycle has completed (approx. 2.5 hours charging time), unplug the the USB Cable and turn the USB cover anti-clockwise into position.

Turning the Torch ON/OFF

The Torch has 2 different light settings Low and High mode. The On/Off button requires to be pressed in the following sequence to activate each mode, 1st press: High - 2nd press: Off - 3rd press: Low - 4th press: High - 5th press: Off.

The Torch features a 5 second memory function and within this time frame will cycle through Low/High/Off with each press of the On/Off button.

After this time it will revert back to the default sequence.

Warranty

3 YEAR WARRANTY

Our goods and services come with guarantees that cannot be excluded under the Australian Consumer Law. For major failures with the service, you are entitled: -to cancel your service contract with us; and -to a refund for the unused portion, or to compensation for its reduced value. You are also entitled to choose a refund or replacement for major failures with goods. If a failure with the goods or a service does not amount to a major failure, you are entitled to have the failure rectified in a reasonable time. If this is not done you are entitled to a refund for the goods and to cancel the contract for the service and obtain a refund of any unused portion. You are also entitled to be compensated for any other reasonably foreseeable loss or damage from a failure in the goods or service'. Kincrome Australia Pty Ltd of 3 Lakeview Drive, Caribbean Park, Scoresby, Victoria (Tel 1300 657 528) also provides the Kincrome Lifetime Guarantee and 12-Month Warranty (Kincrome Express Warranties) in respect of some of its products. If a product is covered by a Kincrome Express Warranty and it has materials or workmanship defects (other than defects caused by abnormal or non warranted use) which are covered under the terms of the relevant Kincrome Express Warranty, you can, at your cost, send the product to the above address for repair or replacement. Your rights under a Kincrome Express Warranty are in addition to any other rights you have under the Australian Consumer Law or other applicable laws. For further details and terms please check our product guide, visit www.kincrome.com.au or call us. Every effort is made to ensure advertised stock is available, but due to factors beyond the control of Kincrome Australia Pty. Ltd, not all products advertised in this catalogue may be available at all stores. Kincrome Australia Pty. Ltd. reserves the right to correct printing errors. All sizes shown are approximate only.
