Specifications

Net Weight	107kg
Material	Heavy Gauge Steel
Measurements	L 1500 x W 625 x H 763mm

Maintenance

> Periodically tighten all hardware
> Lubricate the lock with graphite annually
> Use a damp Microfibre cloth to clean all surfaces

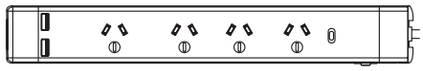

Parts List

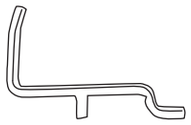

2 X LED LIGHTS

2 X KEYS

1 X MAGNETIC POWER BOARD

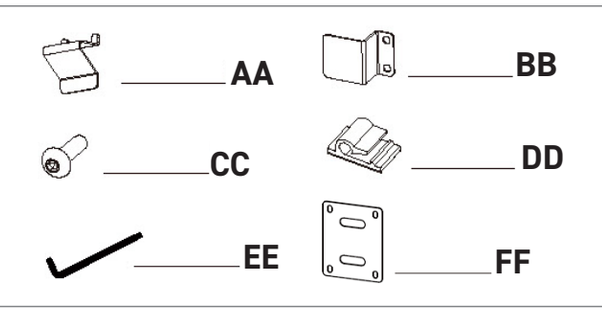

10 X PEGBOARD HOOKS

HARDWARE INCLUDED

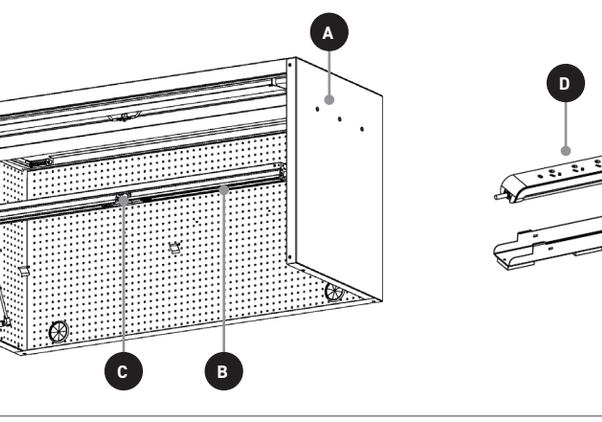

- **NOTE:** Begin product assembly close to the final intended location of your cabinet. The product is heavy and may be difficult to move after assembly.

Part Number	QTY	Description
AA	5	SHELF CLIP
BB	4	STORAGE HOOK
CC	20	HEX BUTTON CAP BOLT
DD	6	CABLE CLIP
EE	1	HEX KEY
FF	3	CONNECTING PLATE

- **NOTE:** Keys are attached to the door.

Part Number	QTY	Description
A	1	HUTCH
B	1	SHELF
C	2	LED LIGHT
D	1	POWER BOARD & MAGNETIC HOLDER

General Safety Warnings

K77805

1. To reduce the risk of injury, please read and follow the safety instructions below before assembling and using this product.
2. Two or more people are required for the assembly of this product.
3. Use the brakes when this product is not being moved. This prevents the product from rolling.
4. Do not tow the product with power equipment.
5. Do not alter this product in any manner. For example, do not weld external lock bars or attach electrical equipment.
6. Before locking the Side Locker, ensure there are no obstructions in order for the door to completely close and lock bars to work properly.

Caution: Do not attach or mount this product to a vehicle or mobile trailers. This may cause personal injury or product damage. Mounting this product to any vehicle or mobile trailers in any manner will void warranty.

Caution: Do not stand on this product. You may fall which may cause personal injury or product damage.

Caution: Be careful during assembly. The product may become unstable and tip, which may cause personal injury or product damage.

Caution: Keep the product on level surfaces. The product may become unstable and tip if stored or moved on an unlevel surface, which may cause personal injury or product damage.

Caution: Lock the door before moving this product. The door could come open and make the product unstable, which may cause personal or product damage.

Electrical Safety

1. Power lead plugs must match the outlet. Never modify the plug in any way. Do not use any adapter plugs with earthed (grounded) power tools. Unmodified plugs and matching outlets will reduce risk of electric shock.
2. Avoid body contact with earthed or grounded surfaces, such as pipes, radiators, ranges and refrigerators. There is an increased risk of electric shock if your body is earthed or grounded.
3. Do not expose to rain or wet conditions. Water entering a electrical products will increase the risk of electric shock.
4. Do not abuse the cord. Never use the cord for carrying, pulling or unplugging the power tool. Keep cord away from heat, oil, sharp edges or moving parts. Damaged or entangled cords increase the risk of electric shock.
5. If operating a power tool in a damp location is unavoidable, use a residual current device (RCD) protected supply. Use of an RCD reduces the risk of electric shock.
6. Do not operate powered products in explosive atmospheres, such as in the presence of flammable liquids, gases or dust. Powered products create sparks which may ignite the dust or fumes.
7. Keep children and bystanders away while operating any powered products. Distractions can cause you to lose control.

Service

Have your power tool serviced by a qualified repair person using only identical replacement parts. This will ensure that the safety of the power tool is maintained.

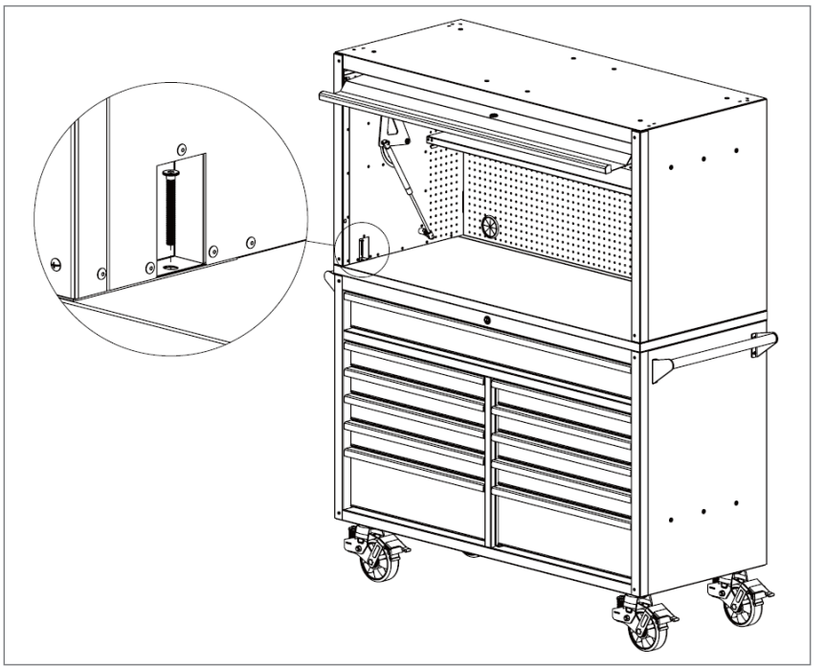

Risk of Electric Shock

- Do Not Overload power boards by “piggy backing” plugs into one socket or by using double adaptors – all power boards have a maximum current rate.
- Do Not Plug high wattage appliances (such as toasters, kettles and heaters) into power boards – plug them directly to permanent power points instead.
- Do Not Use damaged, dirty or wet power boards. Do not expose to chemicals, oils or other liquids.
- Never use water to extinguish a fire caused by electrical equipment Do not attempt to open the product housing.
- There are no user-serviceable parts inside this product. Do not repair the unit yourself.
- Supervise young children to ensure they do not play with the product.
- Do not expose to naked flames or other heat sources.
- Do not drop or subject the device to undue shock.
- Keep device away from magnets at all times.
- Keep away from direct sunlight. Indoor use only.
- Unplug this device during lightning storms or when unused for long periods of time.

Assembly

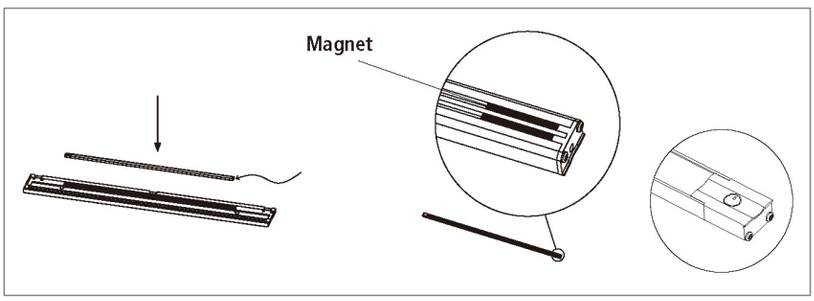

ATTACH THE HUTCH TO THE TOOL TROLLEY

- Remove the (2) M6 x50mm stainless steel bolts from top of trolley.
- Carefully lift the Hutch (A) and gently place on the Tool Trolley.
- Open the Hutch door and check for proper alignment of the connection holes through the stainless steel workbench, ensure the Hutch is ush with the front and sides of the Tool Trolley.
- Attach the Hutch and Tool Trolley with (2) M6 x50mm stainless steel bolts and tighten with supplied hex key.

ATTACH THE LED LIGHT

- The LED light has been pre-installed on the shelf. Remove any packing materials and the nylon cable ties bundled at both ends of the LED light.

- Insert the power cable into the end of the LED fixture, and reposition so it's centered on the shelf.
  NOTE: The back of the LED fixture is magnetic and attaches directly to the articulating holder under the shelf.
- The LED has an in-built dimmer function in the power switch.
- Touch the power switch button once for 20% output. Touch again for 50%, again for 100%, and again for OFF.

WARRANTY

5 YEAR WARRANTY

Our goods and services come with guarantees that cannot be excluded under the Australian Consumer Law. For major failures with the service, you are entitled: -to cancel your service contract with us; and -to a refund for the unused portion, or to compensation for its reduced value. You are also entitled to choose a refund or replacement for major failures with goods. If a failure with the goods or a service does not amount to a major failure, you are entitled to have the failure rectified in a reasonable time. If this is not done you are entitled to a refund for the goods and to cancel the contract for the service and obtain a refund of any unused portion. You are also entitled to be compensated for any other reasonably foreseeable loss or damage from a failure in the goods or service'. Kincrome Australia Pty Ltd of 3 Lakeview Drive, Caribbean Park, Scoresby, Victoria (Tel 1300 657 528) also provides the Kincrome Lifetime Guarantee and 12-Month Warranty (Kincrome Express Warranties) in respect of some of its products. If a product is covered by a Kincrome Express Warranty and it has materials or workmanship defects (other than defects caused by abnormal or non warranted use) which are covered under the terms of the relevant Kincrome Express Warranty, you can, at your cost, send the product to the above address for repair or replacement. Your rights under a Kincrome Express Warranty are in addition to any other rights you have under the Australian Consumer Law or other applicable laws. For further details and terms please check our product guide, visit www.kincrome.com.au or call us.
